

Emmet's Good Stuff

Urethane Gel Wood Finish

Product Description

Emmet's Good Stuff is an easy-to-use urethane gel for unfinished wood surfaces. Formulated with fast drying synthetic oils, Good Stuff is designed to enhance the natural beauty of wood while offering an outstanding protective finish that is resistant to moisture and most solvents. Perfect for finishing butcher block islands and countertops, cabinetry—even wood utensils and salad bowls.

- Available in quart and pint sizes
- Non-toxic, food-safe, urethane-based
- Recommended for finishing or refinishing tops
- Easy-to-use cloth application
- Clear, satin finish
